## **Preface**

The supply contacts of the casting industry are frontierless. This powerful market is always in process.

This development has prompted us to publish independently of the proven German-language guide

### **The KEY to Casting Industry Suppliers**

**The KEY to Casting** will be circulated among top and middle management of casting industry worldwide. Regional areas of emphasis are Europe and its neighbour countries, North and South America, as well as selected countries in Middle and Far East.

Moreover, this guide is to be found on the websites of our publishing house:
